MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES Government of India

MSME Technology Centre, Bhiwadi is a premium skill development and manufacturing technology centre established through the Ministry of Micro, Small and Medium Enterprises, Govt. of India under the auspices of World Bank. The primary objective of the TC is to provide the world-class education, skill development training and conduct innovation research at the interface of multiple disciplines to create high quality human resources in disciplinary and interdisciplinary areas of Engineering Technologies.

The Technology Centre manufactures high precision tools, Dies, Jigs & Fixtures and Moulds etc. and Provides technological support and skilling manpower to MSMEs and other Industries. It also works on Job work basis for manufacturing and inspection of precision components.

MSME TC Bhiwadi conducts AICTE Approved Diploma Courses in Tool & Die making, Mechatronics and Logistics Technology and is also conducting various short and medium term courses in various technologies from design software to manufacturing.

ACTIVITIES

TRAINING
